1. INTRODUCTION

Council receives Equitable Share to subsidise those who cannot afford to pay for the minimum needs in life. The objective in calculating the amount to be subsidised, must be to prevent an increasing balance on the account of an indigent as it will be difficult to recover the debt in a humanly way. According to the Municipal Systems Act 2000, Section 74(3) and 75(2) stipulates, "A tariff policy may differentiate between different categories of users/debtors."

2. OBJECTIVES OF POLICY

The objectives of this Policy are to:-

The subsidies will only be granted to qualifying households to the extent that the above mentioned funds are available for allocation.

Where the municipal account exists, the subsidy amount allocated will be calculated and will be credited into the consumer’s municipal account every month.
