Why is Fraud &  
Corruption a problem  
in our society?

Fraud and Corruption deprives you the basic rights of human dignity and the improvement of quality life for all citizens in that:

- ✓ It increases the cost to the public and less funding will be available for housing, water & sanitation, electricity, waste management, roads & other services
- ✓ It contributes to the increase of rates & taxes
- ✓ It increases business cost, & cost to consumers
- ✓ It discourages economic development as investors stop
- ✓ Breeding ground for organized crime is created
- ✓ More people commit crimes because they know they will get away with it

# **Fraud and Corruption causes Pain & Suffering to the community**

**Don't Support it, Report it!**
