- 11 **General Comments:**
- 11.1 Any Fire, Rescue or other emergency incident involving property or activities of the Msunduzi Municipality shall not attract charges.
- 11.2 Any incident of a humanitarian nature or request for assistance of a humanitarian nature shall not attract charges.
- 11.3 Services performed in the assistance of Community projects or departmental public relations exercises and displays shall not attract charges.
- 11.4 The applicable attendance rate charge shall be calculated from the time that the first arriving appliance is in attendance at an incident until the last departing appliance leaves the scene at the conclusion of the incident, due allowances being made for breakdown or mishap or time occupied by relief personnel.
- 11.5 When the time used to calculate the applicable attendance rate charge is less than 30 minutes no charge shall be raised.
- 11.6 Explanation of Terminology:
- i) **Hazmat** stands for Hazardous Material and refers to incidents that involve materials and chemicals that **require an extraordinary response and the use of specialist equipment in order to resolve the incident.**
  - ii) **Out of Area** means a response to any physical location that is outside of the recognised area of jurisdiction of the Msunduzi Municipality.
  - iii) **Structural** means any building regardless of construction type or occupancy.
  - iv) **Transport** means mechanical transportation of any means.
- 11.7 Whenever the Chief Fire Officer deems it necessary in the interests of public safety and in order to preserve life and property and as often as he thinks fit, arrangements shall be made for an inspection and/or attendance service to be provided in respect of premises used as public buildings or sports and recreational events.
- 11.8 The following persons shall be jointly and severally liable to the this section:
- 11.8.1 The owner/s of all property damaged or destroyed or under threat of damage or destruction by fire, accident or other mishap in respect of which the service is rendered or the materials are supplied.
  - 11.8.2 The person or owner or the owner's spouse, child, employee or agent whose wrongful act or omission was the direct cause of the circumstances which make the rendering of the service necessary in the opinion of the Chief Fire Officer or any other officer acting with his authority.
  - 11.8.3 The person responsible or whose alarm system was responsible for the summoning of the service where, in the opinion of the Chief Fire Officer, such summoning was unwarranted, or was no reasonable justification thereof.

**Key Tariff Rules applicable to Domestic Tariffs**

1. Customer is allowed one free MCB change per 12 months period, however a customer who is reducing the Customer are allowed to migrate from credit to prepaid but if the customer has chosen to do so, the same customer will not be allowed to migrate back to credit - this is due to the fact that the Municipality is intending to phase out credit system and migrate all customers to prepaid system. Therefore the customer should do their analysis properly before an application to migrate is lodged with the Municipality.
2. The supply provided as per the application for new supply or for an upgrade will only be changed after 12 months of taking supply, the application for a downgrade of MCB within the first 12 months of taking supply may not be entertained.
3. The act of scratching the MCB, replacing Municipal MCB with other MCBs and any other interference with the MCB is regarded as tampering, any customer whose MCB has been found to be scratched, replaced with
4. Any domestic supply that takes supply greater than 70 kVA shall be classified as large power user and be charged a standard tariff of either C Scale or TOU. There shall be no concession on this matter
5. **ADDITIONAL METERS**
- 6.1 Application for additional meters will be up to 1 only, a request for a further additional meter will result in an application for a 3 phase supply with one 3 phase 4 wire meter.
- 6.2 Application for additional 3 phase meters will be processed, if the combined load exceeds 100A per phase, the application will be treated as a business and the appropriate tariff will apply
