Dear Sir

Your notice of application or environmental and water use authorisation refers.

Kindly register us acting on behalf of Montys Motors 268 Ohrtmann Road, as interested parties.

Please note that the road reserve was expropriated from my late dad 30 years ago and it is of interest to us to ensure that road widening takes place as soon as possible as traffic buildup at the corner of Manchester and new Greytown Road is exceeding the capacity.

I always believed and was told that the expropriation was for the Western corridor from Bombay Road via Manchester Road via Ortmann Road to the Western suburbs .

Please acknowledge.
