PROVISION OF DRAFT SCOPING REPORT FOR COMMENT

Guy Nicolson Consulting have been appointed by the applicant to be the independent environmental assessment (EIA) practitioner for the above application and have completed the enclosed draft scoping report that is being circulated to all registered interested and affected parties as part of the public participation process for this application, which is undergoing a full, scoping and environmental impact report process in terms of the current EIA April 2017 regulations promulgated under the National Environmental Management Act, Act 107 of 1998.

All comments received will be taken into account in the EIA process, and included in a final scoping report which will be provided to the competent authorities in this application, the KwaZulu-Natal Department of Economic Development, Tourism and Environmental Affairs. Therefore, if the comments of your organization could be provided, within 30 days as prescribed in the relevant regulations, that would be greatly appreciated.

Yours sincerely

Guy Nicolson
