Msunduzi Municipality would like to invite you to the Entrepreneurship and Skills Programme for your utmost support into the Msunduzi Youth Economic transformation.

The Entrepreneurship and Skills Exhibition involves the NYDA and various stakeholders including private institutions, and SMME's. Our intentions are to expose the Youth of Msunduzi to the public as well as the diverse stakeholders within the city in order to nourish their businesses.

This platform will provide an opportunity for the young entrepreneurs to showcase their businesses and make trades that will ensure Youth Economic Empowerment is promoted and actively supported. In addition, this exposure will assist in boosting local economic development within the city and surrounding areas.

The programme will take place as follows:
