

# THE MSUNDUZI MUNICIPALITY

## SMALL SCALE MANUFACTURING BUSINESSES

The Local Economic Development unit under The Sustainable Development and City Enterprises at Msunduzi Municipality is compiling a database for small-scale manufacturing businesses; industries such as **light engineering, paper, food processing, rubber, leather, chemical, and agrochemical industry and many more....** These manufactories play a huge role in the city of Pietermaritzburg and we would like to see these businesses mature, and growing the City's economy. Please submit your business profile before the 8th of August 2019 to our offices by email at [Mandisa.msimang@msunduzi.gov.za](mailto:Mandisa.msimang@msunduzi.gov.za) or drop them off at 341 Church Street, Professor Nyembezi Building 9th floor.
