Enquiries: Ms F Ellis

Date: 16 September 2014

To: The Head of Communications  
District Municipalities and Durban Metropolitan Municipalities

Dear Sir/Madam

**RE: PUBLICATION OF WATER REDUCTION NOTIFICATION**

Umgeni Water, in conjunction with our Municipal Customers, will be publishing an advertisement which is intended to create stakeholder awareness about the levels of dams within the Umgeni Water Operational Area and of a possibility of the drought in the event of adequate rainfall not occurring. It is also hoped that consumers will use water sparingly now and in the near future. The Natal Witness, Mercury, Rising Sun and North Coast Fever newspapers will publish the advertisement between 19<sup>th</sup> September 2014 to 25<sup>th</sup> September 2014.

Please bring this circular to the attention of the Mayor, Municipal Manager and the Head of Technical Services at your Water Services Authority.

Yours Sincerely

**SHAMI HARICHUNDER**  
**CORPORATE STAKEHOLDER MANAGER**

**UMGENI WATER**
