

REPORT FOR THE MONTH OF APRIL 2019**1. Supply Chain Management****1.1 REGULATION 36 DEVIATIONS****1.2 Annexure C Fleet Management details**

Regulation 36 of the Municipal SCM Regulations of 2005 permits the Accounting Officer to “dispense with the official procurement processes established by the policy and to procure any required goods or services through any convenient process”. This would typically include urgent and emergency cases, single-source goods, and any other cases where it is impractical to follow normal SCM process. In the event of such a decision, the accounting officer is required to report this to the next Council meeting.

1.3 TENDERS AWARDED

Municipal Councils are encouraged to utilize tools that will continually allow them to assess the state of implementation of SCM. Spend Analysis information will assist the municipal council assess the compliance of its SCM processes with the constitutional imperative of an equitable procurement system. It is also a useful risk mitigation mechanism whereby repeated issuing of contracts to the same suppliers can be identified.

Please note the term 'contract' refers to any award made to a supplier, whether via the bidding process or the quotations process.
