Public Notice

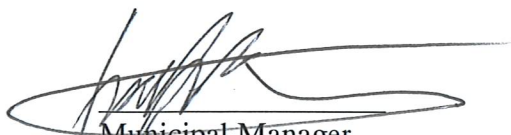

The Msunduzi Municipality

Sustainable Development and City Enterprises:

Town Planning: Development Management

In light of the Christmas holiday break from the 15th of December 2023 to the 8th of January 2024 and the implications it will have on statutory applications, the Town Planning Directorate wishes to advise the public that the calculation of days for comments and objections for statutory applications already lodged with the municipality will exclude the days falling within the festive season period. Therefore, no statutory applications will be permitted to be advertised after 15 November 2023, as their advertisement period will be affected by the break, which will render the public consultation process flawed.

Anyone desiring to lodge an application with the municipality should consult the Department prior to advertising as the municipality will not be held responsible for the costs incurred. For more enquiries, please contact Ziphelele Shinga at 033 392 2180 or via email at Ziphelele.Shinga@msunduzi.gov.za
