Hi Suzelle

Telkom SA / OPENSERVE have no immediate objections to this proposed activity. However, please be advised that our telecommunication infrastructure may very well be affected. The developer / consultant must therefore supply us with detailed plans when available. The cost for the relocation of our services will be for the account of Msunduzi municipality.

Dear All

Please see the attached notice regarding the basic assessment process that has been updated within the Msunduzi Local Municipality, Umgungundlovu District Municipality.

Please note all previous comments will be included and have been taken into consideration. However a full 30 day comment period will still take place.

Thank you.
