Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Management	Mr Trevor Cowie/ Mr J Guitidge	Waste Removal	Upgrade change rooms in Depots (north Central and west)	Staff Changeover Improvements	Various	CNL		100 000.00	Upgrade 3 change rooms in Depots (north Central and west)	Specification and tender process	Award tender and commence work	Complete work	
Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Management	Mr Trevor Cowie/ Mr J Guitidge	Waste Removal	Ensure clean and healthy environment proportional 5% increase in revenue	6	1.9	CNL		480 000.00	5% increase per annum	120000	120000	120000	120000
Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Management	Mr Trevor Cowie/ Mr J Guitidge	Waste Removal	Ensure clean and healthy environment proportional 5% increase in revenue	Bins - 20 x 1.7m3	19-33	CNL		312 000.00	increase customer base 5%	0	180000	132000	0
Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Management	Mr Trevor Cowie/ Mr J Guitidge	Waste Removal	Ensure clean and healthy environment proportional 15% increase in revenue	10 x 15m3 - Bins	19-33	CNL		360 000.00	increase customer base 5%	0	180000	180000	0
Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Management	Mr Trevor Cowie/ Mr J Guitidge	Waste Removal	reduce dumping by 5%	Garden Site Containers	10-37	CNL		300 000.00	increase tonnages	0	100000	200000	0
Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Management	Mr Trevor Cowie/ Mr J Guitidge	Waste Removal	reduce dumping 5%	Completing Inball Garden Site Project	All	CNL		750 000.00	increase tonnages	0	750000		
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Maintenance	Road upgraded	Upgrading of Road through Biskay Game Reserve	24	CNL		2 300 000.00	Upgraded 1.4 km of gravel road into asphalt	Appoint a contractor	Construction commences	50%	100% upgraded 1.4km road
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Construction - Simolane Road	1	CNL		250 000.00	Completed 400m of gravel road	Appoint a contractor- Annual Supply Bid	Completed gravel road		
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Construction - Khoza Road	4	CNL		1 000 000.00	Appoint a contractor	Commence gravel construction	50% complete	100% Completed gravel road	
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Construction - Hlahlah Road	11	CNL		4 200 000.00	Award a contractor - tenders closed	Appoint a contractor	Commence with construction	50% complete	100% complete road
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road upgraded	Upgrading Design of Gravel Roads - Vulindle - D1140	4	CNL		2 400 000.00	Road Completed	50% complete	100% completed - 2.1 km asphalt road		
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Machibisa Damaba Road	12	CNL		4 000 000.00	Road Completed	Finalize Design & Documentation. Advise tender	Adjudicate & Award	Commence with construction	Complete road works
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Tar Martin's Way Road	20	CNL		610 000.00	Road Completed	100% complete - 800m of asphalt road			
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Road Resurfacing - FMS		CNL		8 000 000.00	Road Completed	Commence with subgrading works	50% complete	75% Complete	Complete Resurfacing of roads
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Road Constructed	Upgrade - Mtcozana Road	1	CNL		2 000 000.00	Upgraded 800m of gravel into asphalt	Call for Quotations, Adjudicate & Award	Commence with construction of sub	Complete sub work and commence with blackbase surfacing	100% Complete 800m of blackbase road
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	upgrading of road	Upgrading of Willowmountain Road - Phase 1	14	CNL		1 000 000.00	Completed bank protection and constructed portion of Willowmountain Road	Finalize design & documentation. Advise tender	Adjudicate & Award	Commence with construction	Completed bank protection and a portion of the road into asphalt
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Number of sites with traffic calming measures	Traffic Calming Structures	All	CNL		500 000.00	30 sites	Procurement process	10 sites	20 sites	N/A
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	upgrading of road	Link Bk Road between Thembalile and Fambouke	29	CNL		200 000.00	Appoint a consultant	Design commences	50% complete	Design completed	
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	upgrading of road	Canalisation Dolphin A/Alhahai Road	30	CNL		4 850 000.00	Completed 200m concrete lined channel	Appoint a contractor & commences with works	Break for rainy season	Commence with the last section of the channel	Complete 200m of lined channel
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Road Construction	Increased number of lanes	Church Street/NG Interchange upgrade	37	CNL		20 000 000.00	3km	site clearing	1km	1km	1km
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	Replacement of damaged sewer pipes (SM)	Sanitation Infrastructure Asset	Various	CNL		6 000 000.00	Completion of project 5km	Acquisition process	Replacement of 2 km pipe	Replacement of 2 km pipe	Replacement of 1 km pipe
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	Replacement of sewer pipe bridge	Gitr Road Sewer and pipe/bridge	36	CNL		1 000 000.00	Completion of project 100%	Acquisition process	Construction of the pipe bridge: 30% completion	Construction of the pipe bridge: 40% completion	Construction of the pipe bridge: 30% completion
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	Replacement of damaged water mains fibres	Rehabilitation of Water Infrastructure	Various	CNL		10 000 000.00	Completion of project 10km	Acquisition process	2 km of pipe replaced	4 km of pipe replaced	4 km of pipe replaced
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Electricity Distribution Management	Mr Trevor Cowie/ Mr M Mthembu	Maintenance	50 LED Robot brackets	Electric Demand side management	All	DME		4 000 000.00	50	25 Robot Brackets		26 Robot Brackets	
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Maintenance	Construction of Road	Chota Motale/NG Interchange	32	DOT		15 000 000.00	3km	site clearing	1km	1km	1km
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	New and completed pipelines - provision of waterborne sanitation 7 km	Sewerage pipes Azakia Ward 10	10	VP Totels	MG	5 000 000.00	Completion of project 7km	Acquisition process	2.5 km of pipe installed	2.5 km of pipe installed	2 km of pipe installed
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	New and completed pipelines - provision of waterborne sanitation 7 km	Sewerage Pipe Unit H	16	MG		5 000 000.00	Completion of project 7km	Acquisition process	2.5 km of pipe installed	2.5 km of pipe installed	3 km of pipe installed
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	New and completed pipelines - provision of waterborne sanitation designs	Elimination of Conservancy Tanks - Water	19 & 21	MG		300 000.00	100% design completed	Completion of design documents			
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	New and completed pipelines - provision of waterborne sanitation designs	Service Mbbokk Eradication - Water	23	MG		200 000.00	100% design completed	Completion of design documents			
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	6m of pipe inspected 30km	Sanitation Infrastructure CCTV Feasibility Study	Various	MG		4 000 000.00	Completion of project 30km pipe inspected	Acquisition process	Resume the feasibility study process	Completion of the feasibility study	30km of pipe inspected
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	New and completed water pipelines (2km)	Erdandief Proper New Mains and Reducation	Various	MG		500 000.00	Completion of project 2km	Acquisition process	1 km of pipe installed	1 km of pipe installed	
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Roads and Storm Water	Mr Trevor Cowie/ Mr Trevor Cowie/ M S Mbenti	Maintenance	Upgraded 2.1 km of gravel road to a surfaced road, including stormwater upgrading	D1140 - 2.2 KM	9	MG		5 005 375.00	Upgraded 2.1 km of gravel road into asphalt	50% complete	100% completed - 2.1 km asphalt road		
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Water distribution and sanitation management	Mr Trevor Cowie/ Mr B Siprasad	Maintenance	Installation of District meters	Water District Meters	Various	MG		22 169 628.00	Installation of 180 district meters	Acquisition process	Project initiation	Installation of meters 90	Installation of meters 90
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Electricity Distribution Management	Mr Trevor Cowie/ Mr M Mthembu	Maintenance	Identification of infrastructure that needs fortification	Fortification Structure and other maintenance	Various	None	MG	60 000 000.00	Roll out	Identify infrastructure that needs fortification, identify high risk infrastructure	Drawing Implementation project plan and procurement process and start rollout	Rollout	
Basic Service Delivery and Infrastructure Development	To provide access to Water, Sanitation, Electricity, Solid Waste, Roads and other related services to improve accessibility by communities and in contributing towards economic growth	Infrastructure Development, Service Delivery and Maintenance Management Area	Electricity Distribution Management	Mr Trevor Cowie/ Mr M Mthembu	Maintenance	Acquisition of office equipment	Office Equipment	Various	MG		190 000.00	Office Equipment	Acquisition of Office equipment and accept delivery			
Institutional Development and Transformation	To build and sustain a secure, integrated ICT Infrastructure to begin working towards by wide connectivity	Good governance and Management Control Centre	Information Management	Mr Thokozani Maseko/M S Maharaj	Management Information Systems	Acquisition of 10kVA Back up Generator	10KVA Back up Generator	Various	MG		13 000.00	Acquisition of a generator	Acquisition and installation of the generator	Commissioning		
Institutional Development and Transformation	To build and sustain a secure, integrated ICT Infrastructure to begin working towards by wide connectivity	Good governance and Management Control Centre	Information Management	Mr Thokozani Maseko/M S Maharaj	Management Information Systems	Upgrading of Server from 2GB to 4GB	Server Upgrade 2GB To 4GB	Various	MG		30 000.00	Server upgrade	Acquisition and upgrade of server			
Institutional Development and Transformation	To build and sustain a secure, integrated ICT Infrastructure to begin working towards by wide connectivity	Good governance and Management Control Centre	Information Management	Mr Thokozani Maseko/M S Maharaj	Management Information Systems	Acquisition of Heat Programme	Heat Programme	Various	MG		36 000.00	Acquisition of Heat programme/generator	Acquisition of Heat programme/generator			
							TOTAL				192 856 003.00					

ANNEXURE F: Sustainable community Services Delivery Management Capital Project

NAIONAL KEY PERFORMANCE AREA	IDP GOAL/ OBJECTIVE	FUNCTIONAL AREA/SFA	PROGRAMME	PROGRAMME MANAGER	FUNCTION	KEY PERFORMANCE INDICATOR	PROJECT DESCRIPTION	WARD	BASELINE MEASUREMENT	FUNDING SOURCE	BUDGET 2010/2011	ANNUAL TARGET	SEP-10	DEC-10	MARCH-11	JUNE-11

Community and social Services	To ensure that all communities have access to basic community facilities and social services	Sustainable community service delivery provision management Area	Communityservices provision Management	Mr Kwenza Khumalo/Dr J Dyer	Parks	Replacing of aging fleet	Fleet Replacement	Various	-	CNL	450 000.00	Adequate Fleet	Submit Requirements to BEC	Tender Process Procurement Unit	Award & Adjudate	Delivery
Basic Service Delivery and Infrastructure Development	To provide a responsible facility for the disposal of waste in a manner that is Socially and Environmentally acceptable.	Infrastructure Development, Service Delivery and Maintenance Management Area	Waste Mangement	Mr Trevor Cowie/Mr J Gutridge	Landfill site	Upgrade Facilities	Development Of Landfill Site	Various	-	CNL	7 500 000.00	Construction of containment berms.Capping of completed cells.Top soiling and vegetation of slopes. Construction of a network of access roads. Cell development	Appointment Of Consulatan	Design Facility	Construction	Asthetic Finishes
Community and social Services	To ensure that communities have access to basic facilities and social services	Sustainable community service delivery provision management Area	Communityservices provision Management	Mr Kwenza Khumalo/Dr J Dyer	Municipal Public works	Roofs in the 11 community halls that are leaking to be repaired	Refurbish roofs at 11 Community halls	31,24,36,32,34,30,17,12,19,	-	CNL	3 240 000.00	11 Refurbished Community Halls	Specifications for the 11 halls	Tender process	Roofs being erected	Roofs being erected
Community and social Services	To ensure that communities have access to basic facilities and social services	Sustainable community service delivery provision management Area	Communityservices provision Management	Mr Kwenza Khumalo/Dr J Dyer	Municipal Public works	*Complete steelwork around waiting entrance: *complete fencing & paving.	Moses Mabhidia Multipurpose Centre (fencing/driveway)	15	-	CNL	2 000 000.00	*steelwork completed: *fencing & paving completed.	specification & tender process	Adjudicate & Award	Commence work	complete work
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Mr S Raghunandan		Refurbish the cameras 30 cameras	Camera Refurbishment (Phase 2)	Various	-	CNL	3 700 000.00	1. upgrade of entire recording system: 2. refurbishment of 30 cameras.	upgrade of recording system completed	10 cameras refurbished	10 cameras refurbished	10 cameras refurbished
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Mr S Raghunandan	Fire fighting Services	Repair of roof and building at the fire station	Roof and building repairs at headquarters fire station	Various	-	CNL	200 000.00	Project Completed	advertised tender subject to ISF workload	tender awarded and job completed before the rain season	project completed	
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Mr S Raghunandan	Fire fighting Services	ESS System Upgrade	Upgrade to ESS system	Various	-	CNL	120 000.00	Project Completed	tender awarded	project completed		
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Mr S Raghunandan	Fire fighting Services	Establishment of Training Facility	Establish breathing apparatus training facility	Various	-	CNL	200 000.00	Project Completed	advertised tender subject to ISF workload	tender awarded and project started	project completed	
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Dr J Dyer	Fire fighting Services	Acquisition of firefighting equipment	Critical firefighting equipment	Various	-	CNL	250 000.00	Project Completed	advertised tender	awarded tender	project completed	
Institutional Development and Transformation	To build and sustain a secure , intergrated ICT Infrastructure to begin working towards city wide connectivity	Good governance and Management Control Centre	Information Management	Mr T Maseko Mr S Maharaj	Management Information Systems	Acquisition of Heavy Duty Printer	Heavy-duty printer		-	CNL	100 000.00	Acquisition of 1 heavy duty printer	Procurement Process	Awarding of contract and initiation of work	Completion	
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Dr J Dyer	Public Safety, Enforcement and Disaster Management	Purchase two way radios	Portable Two way Radio	Various	-	CNL	200 000.00	50	PROCUREMENT PROCESS	50 radios acquired		
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Dr J Dyer	Public Safety, Enforcement and Disaster Management	No incidents of unauthorised entry	Upgrading Of Security For Poison Room	Various	Installation of security measures	CNL	30 000.00	Installation of security measures	Advertising of contract	Awarding of contract and initiation of work	Completion of project.	
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	Reduce incidence of waterborne diseases Reduce incidence of food borne illnesses	Laboratory equipment	Various	Percentage in compliance with standards	CNL	150 000.00	240 samples tested and analysed in the laboratory	60 samples	60 samples	60 samples	60 samples
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	To adress the lack of safe infrastructure to provide comprehensive and holistic PHC.	New Masons Clinic : Ward 29	29	Clinic in use	CNL	1 700 000.00	Completion of building of new clinic & fencing	Consult stakeholders, advertise and award tender for drawing of plans	Acceptance of plans, advertise and award tender for construction.	Implementation of construction.	Completion and handover of completed building
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	To address the lack of consultation space which prevents provision of the comprehensive PHC package and to improve the Quality of Service.	Provision of four additional rooms at Northdale clinic. Ward 31	31	Rooms in use	CNL	500 000.00	Completion of building of 4 additional rooms	Consult stakeholders, advertise and award tender for drawing of plans	Acceptance of plans, advertise and award tender for construction.	Implementation of construction.	Completion of construction
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	To address the lack of private consultation space which prevents provision of the comprehensive PHC package and to improve the Quality of Service.	Upgrading of Central City Clinic. Ward 32	32	Additional rooms in use	CNL	250 000.00	Creation of additional consulting rooms within existing structure	Consult stakeholders, advertise and award tender for drawing of plans	Acceptance of plans, advertise and award tender for construction.	Implementation of construction.	Completion of construction
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	According to the South African Pharmacy Council security gates are a necessity in order to function with-in the legislative framework. Stock control loss will be minimized	Security Gates For Dispensaries. Various Wards	Various	All dispensary security gates fitted	CNL	100 000.00	Installation of security gates on dispensaries at clinics	Advertise and award tender	Installation of security gates	Completion of project	
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	To address the lack of high quality X-Rays necessary to effectively diagnose patients with TB.	Provision Of New X Ray Machine. Ward 32	32	New processor in use	CNL	60 000.00	Installation of new processor for X-Ray machine	Advertise and award tender	provision and Installation of processor	Processor in use	
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Health Services and Clinic	Repair of the building facility	Kwa Pata Clinic	10	Old building	CNL	200 000.00	Refurbish the building	Refurbishment completed			
Community and social Services	To contribute to a safe and secure environment with special focus on children , youth ,women and people with disability	Sustainable community service delivery provision management Area	Public Safety enforcement and disaster management	Mr Kwenza Khumalo/Dr J Dyer		Purchase of signs and upgrade of junior traffic infrastructure	Training Equipment	Various	insufficient traffic infrastructure	CNL	42 000.00	Acquiring of additional traffic signs	Procurement of additional traffic signs			
Community and social Services	To promote and improve different disciplines of sport, art, culture and recreation to make the city a playing city.	Sustainable community service delivery provision management Area	Communityservices provision Management	Mr Kwenza Khumalo/Dr J Dyer	Sport and Recreation	Acquisition of specialized equipment for the maintenance of Harry Gwala Stadium	Specialised Equipment (Harry Gwala)	Various	none	CNL	750 000.00	*2 rota mowers: *2 fertilizer spreaders: *2 amazon mowers: *2 back blades	Specifications	Acquisition of equipment and Installation		
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Cemetries	Cemetary to accommodate burials for 50 years	Development of Hollingwood cemetary	35 & various	none	CNL	5 000 000.00	Completed cemetary ready for use	Red renewed. Dpecifications	Tender process	*Commence work on roads. *Waste site fencing	Continue with work
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Cemetries	Revamp & repair dwelling in Mountain Rise Cemetary (windows, doors, toilet facility, roof)	Mountain Rise Cem. Dwelling	32	none	CNL	75 000.00	Dwelling completely revamped	specification & tender process	Awarding quotation & commence work	Complete work	
Community and social Services	To improve basic living conditions and health well being of society with special focus on targeted groups including children, youth, women and people with disability	Sustainable community service delivery provision management Area	Regional community services provision Management Area	Mr Kwenza Khumalo/Dr Nkosi	Cemetries	Refurbish cremator no. 2 completely	Crematorium 1	32	none	CNL	600 000.00	Cremator no.2 completely revamped	Specification to refurbish cremator no 2	Tender process	Commence work	Complete work
