Subject: SCHOOL UNIFORM DISTRIBUTION

On the 04th and 05th of August 2015, Msunduzi Mayor Cllr Chris Ndlela together with EXCO Councillors visited various primary schools in different wards to donate school uniforms to less fortunate children.

This initiative is part of the Mayoral Programs targeting vulnerable groups i.e. children, which include poor and orphaned learners who reside within Msunduzi Municipal Area. The program is aimed at advancing, empowering and improving the wellbeing of our society and also improves the self-image, self-esteem and the dignity of these children.

Msunduzi Municipality takes great initiatives to address issues of poverty by providing valuable support to the vulnerable and ensuring the advancement of human dignity as bestowed in our constitution.
