

1.1 TENDERS AWARDED

Municipal Councils are encouraged to utilize tools that will continually allow them to assess the state of implementation of SCM. Spend Analysis information will assist the municipal council assess the compliance of its SCM processes with the constitutional imperative of an equitable procurement system. It is also a useful risk mitigation mechanism whereby repeated issuing of contracts to the same suppliers can be identified.

Please note the term 'contract' refers to any award made to a supplier, whether via the bidding process or the quotations process.
