DUZI2SANI 4X4 EXPEDITION

Duzi2Sani 4x4 Expedition is a Tourism Month (September) flagship event. The inaugural event was launched by both Msunduzi Municipality & KwaSani Municipalities in 2014. It is not only a District to District (uMgungundlovu – Harry Gwala District Municipalities) but also a transnational annual activity between South and Lesotho. It further aims to explore, develop to grow, in particular niche tourism in these areas.

'The D2S 4x4 Expedition has a big role to play in Tourism promotion and the collaboration that we have with MPTA towards its delivery will make it bigger this year'
Phumlani Gumede – Acting Tourism Manager
