1. INTRODUCTION

The Annual Report is a key instrument of transparent governance and accountability. It is a post-financial year document, which provides an overview of the process of financial and non-financial performance in respect of the previous financial year, in this instance 2014/2015.

The Municipal Finance Management Act (MFMA) assigns specific oversight responsibilities to Council in respect of the Annual Report and the preparation of an Oversight Report.

Given the processes required by Council to effectively undertake its oversight role, the establishment of a Municipal Public Accounts Committee of Council will provide the appropriate mechanism in which Council could fulfill its oversight responsibilities.

The Municipal Public Accounts Committee and herein referred to as the Oversight Committee, has the primary role to consider the Annual Report, receive input from the various role players and to prepare a draft Oversight Report for consideration by Council.

2. BACKGROUND

The oversight role of Council is an important component of the financial reforms and it is achieved through the separation of roles and responsibilities between Council, the Executive (Mayor and Executive Committee) and Administration. Good governance, effective accountability, and oversight can only be achieved if there is a clear distinction between the functions performed by the different role players.

Non-executive Councillors are required to maintain oversight on the performance of specific responsibilities and delegated powers that they have given to the Executive (Mayor/Executive Committee). In other words, in exchange for the powers in which Council have delegated to the Executive, Council retains a monitoring and oversight role ensuring that there is accountability for the performance or non-performance of the municipality.

The Municipal Finance Management Act, No.56 of 2003 (MFMA) vests in Council specific powers of approval and oversight.

- ✓ Approval of budgets;
- ✓ Approval of Budget related Policies; and
- ✓ Review of the Annual Report and adoption of the Oversight Report.

3. THE MUNICIPAL PUBLIC ACCOUNTS COMMITTEE

3.1 COMPOSITION

The Municipal Public Accounts Committee is a Committee of Council established under section 79 of the Municipal Structures Act, 1998. Due to the separation of roles and responsibilities, between Council and the Executive (Mayor and Executive Committee) it is not appropriate that members of the Executive Committee be members of the Oversight Committee.

The Municipal Public Accounts Committee consists of the following Councillors:

Councillor MA Tarr
Councillor R Ashe
Councillor N Atwaru
Councillor SI Madonda
Councillor Matiwane
Councillor SC Ndawonde
Councillor TP Ngcobo
Councillor PG Ngidi
Councillor TD Ntombela
Councillor RB Singh
Councillor MS Sokhela
Councillor R Soobiah

Councillor MA Tarr serves as Chairperson of the Municipal Public Accounts Committee.

3.2 AUTHORITY AND POWER

The Municipal Public Accounts Committee is a Council Committee established in terms of sections 33 and 79 of the Municipal Structures Act, No. 117 of 1998. In terms of line of accountability, the Committee accounts directly to Council.

The Municipal Public Accounts Committee is delegated the responsibility to conduct meetings and to hold public hearings to receive and hear public submissions on the Annual Report, on behalf of Council.

Timely notice of all meetings should be given and all meetings held by the Municipal Public Accounts Committee must be open to the public and minutes of the meetings must be submitted to Council meetings.

3.3 ANNUAL REPORT OVERSIGHT FUNCTIONS

The Annual Report oversight functions of the Municipal Public Accounts Committee are to:

- ✓ Undertake the review and analysis of the Annual Report.
- ✓ Invite, receive, and consider input from Councillors and Portfolio Committees, on the Annual Report.
- ✓ Consider written comments received in respect of the Annual Report from the public consultation process.
- ✓ Conduct Public Hearing(s) to allow the local community or any organs of state to make representations on the Annual Report.
- ✓ Receive and consider Council's Audit Committee views and comments on the annual financial statements and the performance report.
- ✓ Preparation of the draft Oversight Report, taking into consideration, the views and input of the public, representative(s) of the Auditor-General, organs of state, Council's Audit Committee and Councillors.

4. THE OVERSIGHT REPORT PROCESS PLAN

Section 129 of the Municipal Finance Management Act (Act 56 of 2003) requires the Council to consider its Annual Report and to adopt an Oversight Report.

In order for the Municipal Public Accounts Committee to conduct its oversight over the 2014/2015 Annual Report, an Oversight Process Plan was developed and adopted by Council on the 27th of January 2016 (**attached as Annexure "A"**).

The approved Oversight Process Plan in respect of the 2014/2015 Annual Report indicates amongst others; that the Municipal Public Accounts Committee should scrutinize the Annual Report and all other supporting documents, solicit comments from the public, generate questions and submit to the City Manager for written responses, hold public meetings, draft an oversight report and unanimously adopt it prior to this report serving in Council within two months.

The Annual Report 2014/2015 was submitted to Council at its meeting held on the 27th of January 2016, and was referred to the Municipal Public Accounts Committee subject to minor amendments to the Report. The community was advised through the print media of the availability of the Annual Report and were invited to submit representations on the report (**attached as Annexure 'B'**).

The Annual Report was available at all Area Based Management (ABM) satellite offices in the 5 Zones, the municipal Information Centre at City Hall and the office of the Municipal Manager. 5. OVERVIEW OF THE FINDINGS & RECOMMENDATIONS ON THE 2014/2015 ANNUAL REPORT

The Municipal Public Accounts Committee is satisfied that the 2014/2015 Annual Report has been through a vigorous process that complies with relevant legislation as well as an Oversight Process Plan.

The Municipal Public Accounts Committee was pleased to state that a considerable amount of improvement compared to previous years, was noted in the Annual Report, as tabled. Minor additions were made such as footnotes to various tables and editing corrections. These do not warrant specific mention in this report and are captured in the attached minutes. Matters arising of the minutes have been incorporated into the report.

The Municipal Public Accounts Committee commends Council, The Municipal Manager, the Senior Managers and all staff at Msunduzi Municipality on the strides made towards good governance. The Municipal Public Accounts Committee would specifically like to draw the attention of the reader to the outstanding report of the Audit Committee as contained in the Annual Report. The Audit Committee and Internal Audit should be commended for their efforts.

The Municipal Public Accounts Committee takes pleasure in presenting the Oversight Report to Council to consider the following resolutions:

IT IS RESOLVED TO RECOMMEND:

- 5.1 That, having fully considered the Annual Report of the Msunduzi Municipality for the 2014/2015 Financial Year, the Oversight Report for the 2014/2015 Financial Year be adopted.
- 5.2 That Council approves the Annual Report of the Msunduzi Municipality for the 2014/2015 Financial Year without reservations, however the Municipal Public Accounts Committee wishes to record that minor amendments needed to be made to the draft Annual Report 2014/2015.
- 5.3 That arising out of the proceedings of the Oversight Committee meetings, it be noted that the Municipal Public Accounts Committee is highly concerned about the following matters:
 - 5.3.1 High vacancy rates which have a negative impact on service delivery and that Council addresses critical vacancies as a matter of urgency. Vacancies were an issue under all Business Units and this matter was also brought to the attention of Council in the previous Oversight reports.
 - 5.3.2 That instead of hiring vehicles and plant on a monthly basis, the request for purchasing vehicles and plant by the Deputy Municipal Manager: Infrastructure Services be considered. A lack of vehicles was a serious problem and impacts negatively on service delivery.

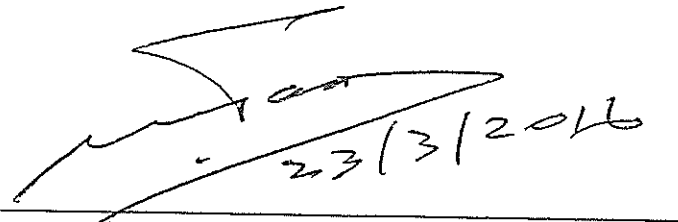

- 5.3.3 That the loss of water from standpipes was noted by the Deputy Municipal Manager: Infrastructure Services and that in the future, steps to read and monitor standpipes accordingly, be considered.
- 5.3.4 That the Senior Management Committee ensure that the top ten risks of the Municipality are prioritized and brought to the attention of Council and that there are effective strategies to mitigate them. Portfolio Committees should regularly monitor risks.
- 5.3.5 That the Office of the Speaker shall update and verify on an ongoing basis, gifts and hospitality received by Councillors. This should also be done by Corporate Services for Officials, guided by the Gifts Policy.
- 5.3.6 That arising out of item 5.3.5, the induction of new Councillors and Officials should include an ethics component.
- 5.3.7 The problem relating to Housing Rental Stock is clearly outlined in the Annual Report. These problems have been ongoing for several years, continue without any improvement and outstanding debt continues to escalate. The Municipal Public Accounts Committee is of the view that this matter should finally be brought to a conclusion. A SMART plan be presented by the Deputy Municipal Manager: Economic Development to the Executive Committee and the Portfolio Committees.
- 5.4 The Municipal Public Accounts Committee suggests that the Office of the Municipal Manager in the interests of better communication with the public, prepares an abridged version of the Annual Report 14/15.
- 5.5 The Municipal Public Accounts Committee supports the payment of performance reward/incentives as per the approved Individual Performance Management System Policy.
- 5.6 That the Oversight Report be made public in accordance with Section 129(3) of the Municipal Finance Management Act 56 of 2003.
- 5.7 That the 2014/2015 Annual Report and Oversight Report, including the minutes where the Annual Report was discussed, be submitted to the following Offices in terms of Section 129 (2) of the MFMA :-
- National Treasury;
 - Auditor General;
 - MEC: Cooperative Governance and Traditional Affairs;
 - MEC: Provincial Treasury;
- 5.8 That the Oversight Report be submitted to the Provincial Legislature in accordance with Section 132(2) of the Municipal Finance Management Act 56 of 2003.

6. CONCLUSION

This report provides oversight on the Annual Report of the Msunduzi Municipality and its entities for Financial year 2014/15 in terms of provisions of the MFMA as well as the process that the Municipal Public Accounts Committee undertook to comply with the applicable legislation.

Furthermore, it is the view of the Municipal Public Accounts Committee that corrective measures be taken by the Deputy Municipal Managers within their respective Business Units to address all matters raised in the Annual Report. It is therefore recommended that Council approve the 2014/2015 Annual Report without reservation.

Respectfully Submitted:

10. DRAFT OVERSIGHT REPORT FOR 2014/2015

Report by the Office of the Municipal Public Accounts Committee's Chairperson.

(Page 1 of the agenda)

The Chairperson raised the issue of quorum for Municipal Public Accounts Committee meeting as well as the outstanding matters in relation to Human Settlements which were not addressed at the current meeting as there was no representative. The Committee raised its dissatisfaction with not being able to attain confirmation from Economic Development Business Unit with regards to the outstanding matters relating to Human Settlements. It was pointed out that the Committee had previously requested the comprehensive picture of the actual informal human settlements within Msunduzi Municipality. The Committee further added that the information on human settlements that was submitted was insufficient and further no cooperation was attained from the user department in terms of addressing the gaps that were identified by Municipal Public Accounts Committee. The Committee further added that apart from the oversight report being signed off by the Deputy Municipal Manager: Economic Development, errors were still noted.

The Committee also raised a concern that the Annual Report was a public document therefore specific and comprehensive details have to be included particularly at the bottom of Page 105 of the Annual Report 2015 concerning the Overall

Performance of Human Settlements.

The Committee requested the Manager: Human Settlement provides the new information to the Manager: Strategic Analysis and Research [Acting] for it to be incorporated on to the report. The Committee raised the Outstanding Debts on the rental stock that was still on the increase which has to be dealt with urgently by the Deputy Municipal Manager: Economic Development.

(At this point of the preceding officials from Human Settlement Sub-unit and the Deputy Municipal Manager: Economic Development joined the meeting)

The Deputy Municipal Manager: Economic Development appraised the Committee on the status quo of the situation stating that there had been progress made on the rental stock matter. He continued to inform the meeting that there had been debts that were written off by Council and the process of dealing with illegal tenants had commenced. He further stated that he had engaged with the Msunduzi Housing Association with the intention to establish a partnership for the Msunduzi Housing Association to manage rental stock specifically through a memorandum of understanding. He further stated that challenges noted in terms of rental stock were caused by poor management. He further added that he was of a view that management of the rental stock by Msunduzi Housing Association would eradicate the escalation of debt.

The Chairperson requested that the problem be resolved and a clear picture of whether the Msunduzi Municipality had identified authentic tenants and how rent/debt was being collected.

It was

RESOLVED TO RECOMMEND TO THE COUNCIL

- a) That, having fully considered the Annual Report of the Msunduzi Municipality for the 2014/2015 Financial Year, the Oversight Report for the 2014/2015 Financial Year be adopted.
- b) That the Annual Report of the Msunduzi Municipality for the 2014/2015 Financial Year be approved without reservations; however the Municipal Public Accounts Committee wishes to record that minor amendments needed to be made to the draft Annual Report 14/15.
- b) That it be noted that in spite of having the Annual Report signed off by Deputy Municipal Managers as correct, there were still errors noted.
- c) That, arising out of the proceedings of the Oversight Committee meetings, it be noted that the Municipal Public Accounts Committee is highly concerned about the following matters:
 - High vacancy rate which have a negative impact on service delivery and therefore Council need to address the issue of critical vacancies as a matter of urgency. It being noted that vacancies were an issue under all Business Units and this matter was also brought to the attention of Council in the previous Oversight Report.
 - The issue of hiring vehicles and plant on a monthly basis, versus purchasing vehicles and plant as was highlighted by the DMM: Infrastructure Services. Therefore purchasing vehicles and plant need to be considered; it being noted that lack of vehicles was a serious problem and impacts negatively on service delivery.
 - The loss of water from standpipes was noted and that in the future, steps to monitor standpipes be considered.

- The problem relating to Housing Rental Stock is clearly outlined in the Annual Report. These problems have been ongoing for several years without any improvement and outstanding debt continues to escalate. The Municipal Public Accounts Committee is of the view that this matter should finally be brought to a conclusion and therefore a SMART plan be presented by the Deputy Municipal Manager: Economic Development to Executive Committee after it has served through all relevant Portfolio Committees.
- d) That the Strategic Management Committee ensure that the top ten risks of the Municipality are prioritized and brought to the attention of Council and that there are effective strategies to mitigate them; it being noted that Portfolio Committees should regularly monitor risks and report back accordingly.
- e) That the Offices of the Speaker and the Deputy Municipal Manager: Corporate Services Business Unit update and verify on an ongoing basis, gifts and hospitality received by Councillors and Officials respectively.
- f) That arising out of item (e) the induction of new Councillors and Officials should include an ethics component and the issue of the employment of the Ethics Officer be considered during the structural organogram review.
- g) That the Office of the Municipal Manager, in the interests of better communication with the Public, prepares an abridged version of the Annual Report 14/15.
- h) That it be noted that the payment of performance bonuses to the deserving individuals be supported as per the approved Individual Performance Management System Policy subject to the performance being audited by Internal Audit Sub-Unit.
- i) That the Oversight Report be made public in accordance with Section 129(3) of the Municipal Finance Management Act 56 of 2003.
- j) That the 2013/2014 Annual Report and Oversight Report, including the minutes where the Annual Report was discussed, be submitted to the following Offices in terms of Section 129 (2) of the MFMA :-
 - National Treasury;
 - Auditor General;
 - MEC: Cooperative Governance and Traditional Affairs;
 - MEC: Provincial Treasury.
- k) That the Oversight Report be submitted to the Provincial Legislature in accordance with Section 132(2) of the Municipal Finance Management Act 56 of 2003.

It was further

RESOLVED

- a) That the Deputy Municipal Manager: Economic Development submits a report to the next meeting incorporating the following facts:
 - The amount that had been written off by Council
 - The total number of legal and illegal tenants

- The amount of the rentals to date.
- b) That the Deputy Municipal Manager: Economic Development provides the information on status quo regarding informal human settlements to the Manager: Strategic Analysis and Research [Acting] for it to be incorporated on to the Annual Report.
- c) That the Deputy Municipal Manager: Economic Development undertook to submit such reports and also to invite MPAC members at the Economic Development Portfolio Committee meeting where it would be discussed.
