

PRESS RELEASE – Sod-turning Event at KaMgwagwa, Ward 3

31 May 2016

Turning the sod from left to right; Msunduzi Deputy Mayor Thobani Zuma, MEC for Social Development Ms Weziwe Thusi, Induna Yesizwe Bab' Zondi and Ward 3 Councillor Linda Madlala.

Sod-turning ceremony symbolizes the beginning of a new project and starting of a new journey. The residents of KaMgwagwa Ward 3 can happily say that their lives will be transformed as they will pleasantly use their new road without dust remains. The Department of Transport hosted a Sod-tcutting ceremony for the road to be built on Ward 2. This is an R8.5 m project for Road 399 which is 5.8kms. Deputy Mayor Thobani Zuma thanked the Department of Transport for the hard work that they have done in building many other roads such as p041 Enqabeni.

Councillor Linda Madlala of KaMgwagwa highlighted that it had been a long time coming. The community had raised concerns regarding road 399 and he reminded the community that the purpose of the day was to respond to their grievances. He urged the community to not resort to violent protests that destroy the existing infrastructure and take the community backward in terms of development.
