

PRESS RELEASE – VULINDLELA PRESIDENTIAL VISIT

23 June 2016

President Jacob Zuma visited the Vulindlela Rural Enhanced People's Housing Process (EPHP) in Taylors' Halt on the 23rd of June 2016. The project aims to deliver 25 000 houses for the community in Vulindlela area. It has also opened up business opportunities as there have been 13 community owned co-operatives that have been formed that supply building material for the houses; and generated over 2000 full-time employment opportunities. 12300 houses have been completed so far since the inception of the project.

Msunduzi Municipality Mayor Cllr Chris Ndlela, KZN MEC: Human Settlements Mr Ravi Pillay, KZN MEC: Economic Development and Tourism Mr Sihle Zikalala, President Jacob Zuma, Minister: Human Settlement Ms Lindiwe Sisulu and UMDM District Mayor Cllr Yusuf Bhamjee.

Dr Ray Ngcobo and the Acting City Manager Mr Sizwe Hadebe were amongst the guests.

The Msunduzi's Marketing and Communications section had an exhibition stand where the team promoted the municipality by handing out brochures and informative pamphlets on water saving tips, current and future municipal projects.
