24 HOUR WATER SHUTDOWN BY UMGENI WATER ON THE 21-22 November 2017

Umgeni Water will be shutting down the purification plant at Midmar WTP tomorrow from 8am till 10am on Wednesday (26 hours) for planned maintenance work.

Umgeni Water have increased production from Saturday to allow Msunduzi Municipality to fill up our reservoirs to be able to supply our customers. However, we ask that the public conserve water during this period.

The following areas will be affected: Prestbury, Northdale, Raisethorpe, Woodlands, Masons, Bisley, Ashdown, Caluza, Willowfontain, Unit H, Sinathing, Azalea, Unit 18, Foxhill and Ashburton.

Once again the Msunduzi Municipality unreservedly apologises for any inconvenience or lack of supply and our residents can be rest assured that such is only consented to in order to improve our future assurance of supply.

Issued by:
T. Mafumbatha
